## ABOUT US

Rae-Line is one of the largest commercial upholstery and sports and safety padding companies in Australia. We supply some of the biggest names in the automotive, heavy transport and sports padding industries including Kenworth, Iveco, Paccar Parts, Bounce and Socobell. Based in a modern manufacturing complex, occupying eight factories in Kilsyth, Rae-Line currently employs more than 70 employees. As Rae-Line is growing its business into new areas the need to focus on design factors and build on the Product Development department is becoming essential. The company is putting great value in its enthusiastic and positive culture and is seeking a new team member, who's sharing these aspects.

If you are looking for work why not become part of the Rae-Line family and experience a positive and encouraging working environment where you'll have opportunity to learn, grow and find fulfilment.
